REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The closest prior art of record, Erilli (5866529), does not teach or suggest the composition of the claimed invention. Specifically, Erilli states a liquid composition that specifically incorporates components that "tend to inhibit gel formation" (col. 6, lines 43-46). Furthermore, the myriad of ingredients would have created "picking and choosing" to encompass the specific ingredients and their requisite proportions. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Necholus Ogden whose telephone number is 571-272-1322. The examiner can normally be reached on M-T and Th-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra N. Gupta can be reached on 571-272-1316. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
